

Title IX Coordinator

Educational institutions that receive Federal financial assistance are prohibited under Title IX from subjecting any person to discrimination on the basis of sex. Title IX authorizes the Department of Education to issue regulations to effectuate Title IX. Under those regulations, a recipient must designate at least one employee to coordinate its efforts to comply with and carry out its responsibilities under Title IX and the Department's implementing regulations. This position may not be left vacant; a recipient must have at least one person designated and actually serving as the Title IX coordinator at all times.
